

Solidarity fund

A heartwarming social fund for our school.

Dear parents and sympathisers of our school,

We hear it every day in the media:

The number of kids growing up in poverty is increasing every year.

Even in Leuven, in our neighbourhood, in our school, not far away!

In our school all children get the same chances. Everyone joins the excursions, the schooltrips, the longer overnight trips even if bills are not paid fully or partially. We guarantee that!

But these things **cost a lot of money**. Therefore we start with a **solidarity fund**. The purpose is that parents and friends are free to make a deposit. The money will be used to help families to pay **school fees**.

Do you want to make a generous donation in this Advent's Time? Or do you want to make a deposit every month or so by direct debit on the account of the **solidarity fund BE49 7350 5136 0171**.

As a school we are unable to issue tax certificates, but you can trust us that every given euro will be used for people who need it.

We thank you for your warm hearts and your generosity
